## GG ANITA'S BUZZ NOTES

Happy Fall,

I know a lot of people like this season best, but it just reminds me that winter is coming. That being said, I do love the tree colors. By the time you read this, you should be thinking about elections in the Bethels. Girls, who have not passed the proficiency test, you need to be studying. Honored Queens, make sure you have the correct election talk to read. We adopted a new one 2 years ago. It is shorter, so definitely the one you want to read. If your Bethel does not have this copy, contact me.

Also, if you are wanting to compete for the Bethel of the Year, you need to be checking to see what still needs to be done this term. Have you had your Go-to-Church Sunday? Have you made your contribution to the GGC Educational and Promotion funds as required by by-law?

Congratulations to the Bethels who have been initiating. I am so proud of the Daughters for encouraging others to belong to the best organization for girls we have.

Remember to go to the Supreme web page to look at the ritual revisions and make your comments.

## BIOGRAPHY: LYNN COOPER, AGG

My Job's Daughters career started nine years ago on Tuesday September 18, 2001. Easy to remember as it was just one week past that horrible day when the terrorists decided to attack our country in New York City (The World Trade Center) and Washington, D.C. (The Pentagon). I had been a DeMolay when I was in High School and really didn't know much about Job's Daughters except that their adult leaders at that time preferred that the DeMolays leave the daughters alone. Can't imagine why they didn't trust us.

I have served as Associate Bethel Guardian at Bethel 8 Fort Wayne and also Bethel 41 in Fortville. I am a member of Waynedale Lodge No. 739, F. & A.M., Waynedale Chapter 600, Order of Eastern Star, Past Band President of Mizpah Shrine, and a Life Member of Chapter 544, National Sojourners. Other un-official titles have included driver and chaperone of Junior Miss Indiana Job's

Daughters 2005-2006 and Miss Indiana Job's Daughters 2008-2009. I can honestly say that I have been to all of the active Bethels in the state more than a few times.

I was born and raised in Fort Wayne and presently live in Noblesville. I met my wife Kathy while we were both driving school bus. We have four children, 3 boys (David, Phillip, and Matthew) and 1 girl (Becca). We also have three grandchildren (Spencer, Allison, and Jackson).

I am presently in the US Army Retired Reserves and can actually start drawing retirement pay in a few years. My fun emblem this year is the school bus. It represents all of the buses that I have been associated with throughout my career, which includes school buses, trolley buses, transit buses, and tour buses.

I hope that everyone is having a great time so far this year. I challenge the Daugh-

ters to really get involved in everything that they can. The Honored Queens have fun and serious activities planned and can't do them very well without your help. Help and have fun. Remember as you travel to other Bethels around the state that it's possible to participate in their activities as well.

Keep an eye on the state calendar for the events planned by your Grand Bethel and Grand Guardian Council. Not only will you be accumulating travel points but also you will be having the time of your lives. Hope to see you all very soon.

## BIOGRAPHY: RUSTIE MILLS

Hello Indiana Jobies!!! I hope that everyone has been reading my blog, but I wanted to take this opportunity to let you get to know me a bit more!

My name is Rustie Lynn Mills, and I'm 17 years old. I am a five-year member and Past Honored Queen of Bethel #2, Terre Haute. Besides Miss Indiana Job's Daughter, I am also Grand Bethel Outer Guard and Supreme Bethel Junior Princess. I have also been Coronation and Junior Coronation Queen. My favorite Job's Daughters memory is the night I was crowned Junior Miss Indiana Congeniality, and my favorite part of Job's Daughters is the long-lasting friendships I have formed as a member of this organization. My favorite station is Chaplain, and my favorite Messenger is Fourth Messenger.

Here's just a bit more about me as a person and not just as a Jobie! Besides Job's Daughters, I participate in lots of other activities: National Honor Society, Spanish

not sure where I'm heading yet. I do, however, know that I want a double major in political science and international studies with a minor in Spanish.

Well, I think that is sufficient for now. I hope everyone has the opportunity to travel this year and make new friends as well as learn a few things. Keep up with me and my travels on my blog, and I hope to see each and every one of you in my travels this year!

Club, Knowledge Masters, and Softball to name some. When I'm not doing homework for all of my advanced classes, I love to read, listen to music, watch movies, see theater performances, and just spend time with my friends and family. My emblems are butterflies and Scooby Doo, who I idolize. I'm currently applying for college, but I'm

## DAVE PETER, GRAND INNER GUARD

I'm David Peter, your Grand Inner Guard. It's hard to believe, but I was installed as Associate Bethel Guardian for Bethel 2 on September 13, 2004. Six years with Job's Daughters. I became a Master Mason on October 29, 2001 in Sul Ross Lodge 1300 in College Station, Texas. I have been Worshipful Master for Terre Haute Lodge 19, in Terre Haute, Indiana in 2004,

2005, 2009 and this year, 2010.

I have been Grand Deputy for 3 different Bethels. I am also a Past Patron of Terre Haute Chapter 43, Order of the Eastern Star. I am also a member of the Royal Arch Chapter, Council of Cryptic Masons and the Commandery of Knights Templar, all York Rite bodies in Terre Haute,

Indiana.

And, after six years, I still wear purple!

“STILL WEARING PURPLE.”

## Bethel 24 Jeffersonville "Happenings in Hoosierville".

August 26-28 our Bethel had a promotional booth where we face painted and used colored hairspray when requested. Made a little money, got some recognition for our Bethel and most importantly HAD FUN!!!!

September 9-12 some of us headed up to Job A Rama for a weekend of camping, eating, meeting new friends and again HAVING FUN!! Six

daughters, two Jobies-to-be and three adults had a blast that weekend.

Next Bethel 24 got together for a planned community service fun day on Saturday September 25. We met in downtown Jeffersonville and car-pooled over to the Ronald McDonald House in Louisville to deliver all the pop tabs (around 17,000) we had been collecting for the past year. The Ronald McDonald house collects them as a fund-raiser. We took a few photos then headed over to Jeffersonville to Haven House which is a homeless shelter for a tour of the facilities. Our Bethel is in the process of collecting non-perishable food items for Haven House currently and on an individual basis we may take things like clothing, toys and books.

After our tour we went to Schimpff's Candy Store in downtown Jeffersonville for a candy making demonstration. It was awesome and the owners gave us free samples of the candy they had just made—yummy red hots!! We ate lunch at their café and bought some treats then went home.

October 4<sup>th</sup> we were invited to the Jeffersonville City Council Meeting. Rachel Cox, Aimee Otto, Keely Wright and Emily Bealer stood up at a podium and explained about what Job's Daughters International has taught them and what we are doing in the local community. Then one of the Council members presented our Bethel a nice plaque and proclaimed October 10-16 Job's Daughters Week.

That's about all for now.

## Bethel #8, Ft. Wayne

Hi! My name is Mariah from Bethel #8 Fort Wayne. I'm super excited to start telling you about what we have been doing up north.

On September 14<sup>th</sup>, we went to Crazy Pinz which is a really fun place in Fort Wayne. They have bowling, black light mini golf, arcade games, a ball room, go carts, and lots of great snacks. That night we did bowling, arcade, and black light mini golf. The best part of the night was when we all got blue slushies and turned our mouths all blue.

On September 18<sup>th</sup>, we went to the Shrine Horse Show and worked the lemon shake up stand. We had a lot of fun when we weren't working. We had fun just hanging out and watching the "magical" ponies frolic around. Some of the contestants did a contest where they had to keep an egg on the spoon and race around. I guess one of the people dropped their egg and later when we saw an egg in the arena we joked about horses laying eggs and one of the girls even believed it! It was hilarious that we were rolling on the ground laughing!

## Bethel #8, continued

We had our HIKE Tea on September 26<sup>th</sup> and we had a great turn out with lots of people from all different places. We raised about \$450 that day. The girls made baskets for the silent auction and baked goods for the bake sale at it. We had a lot of great food. Thanks to everyone who came and supported us and it means a lot to us!

On October 5<sup>th</sup>, we initiated our newest member, Hannah. We're so excited that she joined our Bethel! We also read a petition that night and will be initiating on October 19<sup>th</sup>. We hope some people can come and help out so we can do a really good initiation!

On October 6<sup>th</sup>, we went to a nearby lodge in New Haven and had dinner with them and performed the Living Cross for them.

We have a lot of fun stuff coming up still and I can't wait to get to tell you all about it and to get to read what all of you have been doing!

### Tiffany Ingles, Grand Marshal

Hello Indiana Job's Daughters!

My name is Tiffany Ingles, and I am your Grand Marshal this year. Anita asked each of us to write an article introducing ourselves, so here goes!

I have been involved in Job's Daughters since my initiation as a 12 year old in 1992. I first joined Bethel #27 in LaCrosse, Wisconsin. My first station was 2<sup>nd</sup> messenger. Two years later my family moved to Indiana and I became a dual member with Bethel #107. I served as Honored Queen in 1997 and received my Majority in 2000.

As soon as I became Honored Queen, I got involved in Grand Bethel. I served as Librarian, a Representative

(twice) and Treasurer before I was elected as Grand Bethel Guide. In 2004-2005 I served as Grand Bethel Honored Queen.

After my time serving the state in Grand Bethel, I went "home" and became Bethel Guardian of Bethel #107. Then, in 2008, Cindi Gott and my Dad, George Ingles, asked me to be their Grand Director of Music. Now I am Grand Marshal. This year I am also serving as Worthy Matron of my Eastern Star Chapter in Brownsburg.

I attended Brownsburg High School, then DePauw University, where I majored in Music Education. I play the clarinet, flute, saxophone, and piano. For the last 8 years I have been teaching elementary music in the Muncie Community Schools. I love it!

I love to read and to travel, and on Monday evenings, I participate in a bowling league. I am certain that I would not be where I am today if it were not for Job's Daughters. And to think that my Dad had to talk me in to joining! I am looking forward to the coming years of making new friends, learning new things, and working hard for the Daughters of Indiana.

Job's love, Tiffany

I will close with a couple of my favorite quotes:
