JOB'S DAUGHTERS OF INDIANA

ANITA'S BUZZ WORDS

This is my very first Bethel News article as your Grand Guardian. I hope everyone starts to read our Job's Daughters' on-line newspaper. I have asked the Grand Officers to write articles to introduce themselves to you, so I will begin with mine. I am a PHQ and MM from Bethel #29 Brazil, IN. I joined Job's Daughters 49 years ago this November. My father was my ABG when I was HQ. I stayed active in the Grand Bethel until, I had my first child, Joshua and then I took time off.

I became active again when my daughter, Megan, became a member in 1995. I eventually became Guardian of #121. I have served on 3 different Bethel Guardian Councils--#29, #121, and #2. I have also been Grand Deputy at

3 different Bethels.

I am a Past Matron of Brazil #80 and Nashville #586, O.E.S. I served as District Deputy #7 in 1986-87. I am currently Princess Zora in my Daughters of the Nile Temple and am also a member of Amaranth.

I have already mentioned 2 of my children--Allen is the middle one. I also have 5 grandchildren--Jarrod (8), Stacey and Gregory (6), Jaycee and Connor (3), and Hailey (1).

I am a retired IRS anti-money laundering specialist and tax auditor. Now, I substitute teach, when I want to, which is a lot. In my spare time (HA), I read murder mysteries by women authors. I also like to do needlework when I have the time.

During this year I am

going to include in my articles some information, which can be found in the Constitution and By-laws. The first item will be from B-GGC Duties of the Grand Guardian, Article III, Section 2(m). This basically says you must have a waiver to initiate anyone from outside of your jurisdiction (IN in our case) from the Grand Guardian if they live in another Grand jurisdiction and from the Supreme Guardian if they live elsewhere.

I am pleased that the Bethels are supporting our Job's Daughters project this year for the Masonic Home--a digital camera and frame. Please, consider donating your OV coin march for this project.

Hope everyone had a good time at JAR and Masonic Home Festival.

Anita, GG

THANK YOU! THANK YOU! THANK YOU!

I just received an envelope with 34 completed Supreme Media Release forms. They have been scanned and put into alphabetical order and I can quickly see if the people in your photos have a release on file. Please remember that I will need the first and last name, correctly spelled, for every person in a photo you would like posted on the Bethel News page. It would be fabulous if everyone had theirs turned in before Job's Daughters Week in Indiana (October 1^{0th} - 16th). Please remember this is the official media release form for JDI now and we need one on file for any public use of your photo as a member.

Thanks again,

"I want this news to be from the Daughters about the Daughters."

MAKE BETHEL NEWS ABOUT "YOU"

A Note From the AGG
Lynn Cooper

I was so excited to hear that we were going to bring the Bethel News back to life. I can remember the days when Mary would put it together each month. We would wait for the snail mail to come and it was great reading the articles and seeing the pictures of you Daughters having so much fun. The days of email are now deeply entrenched upon us, as is the social websites such as Facebook, Twitter, and Myspace. These are sites that many of us stay connected to. There are security risks involved in posting information on those web-

sites and I believe that posting here in the Bethel News is a little more secure. I would hope that each Bethel could write an article or post something each month. Don't expect to see an article from me each month, as I want this news to be from the Daughters about the Daughters.

Anita and I have gotten to officially visit with eight of the Bethels so far. We will be at your Bethel before you know it. Get ready for it, do your best, and have fun. By the time you are reading this Job-A-Rama may be over. I expect that Anita will still be wiping the pie off her face because of all the money you contributed

to HIKE in her name! I hope that all of you that attended JAR got to meet our Supreme Guardians Toni and Rick and especially our Supreme Bethel Honor Queen Courtney.

Continue to promote Job's Daughters. We are doing a great job of bringing in new members. Let's remember to keep these new members active and to keep the older ones active as well. There are many fun activities coming up. I look forward to seeing you all in the coming weeks.

Job's Love,

Lynn
