

EXTRA! EXTRA! READ ALL ABOUT IT!

Have you heard? There is a new and improved **Bethel News** coming soon!

We've worked hard during the Past *GGC* year to bring the **Bethel News** back, and now we will take it even further. We are creating a **Bethel News Mailing List**, so you, too, can receive the Bethel News via email each and every month.

Daughters and Adults, you are encouraged to submit articles any time. If you want something in a specific issue, we must have it by the 10th of the month. New editions will be posted and sent by the 20th of each month.

Grand Bethel will be continuing their "**Ask Mother Mick**" column. If you need advice about a situation, Job's Daughters or not, you can reach them at askmothermick@gmail.com

Ideas for articles

- Tell us about what your Bethel has been doing
- Introduce new Daughters and Council Members
- Advertise fundraisers and service projects for your Bethel
- Interview a Daughter about an experience she has had outside of Job's Daughters
- Submit a Librarian's report from a Bethel Meeting (an original, or one you found)

To submit an item for publication in **Bethel News**, simply send an email to indianabethelnews@gmail.com. If you submit pictures, please be sure to list who is in the photo. We can only publish pictures for those who have **media releases** on file.

Every time a **DAUGHTER** or **JOBIE TO BEE** submits an article, she will be entered in a drawing to win some fabulous prizes! These will be awarded at our January School of Instruction and at Grand Session 2012.
