

From the Grand Guardian

February 6, 2012

Regarding New Rituals:

If your Bethel has **already** had its OV, please start using the new ritual **immediately**.

If your Bethel has **not** had their OV, but it is in **February**, please use the OLD ritual for your OV.

If you choose to use the new ritual for your OV that would be wonderful!!

**All Bethels** must be using the **NEW** ritual no later than **MARCH 1, 2012**.

**\*\*Please remember that Ritual Contest, Grand Master's Youth day and Pageant\*\***  
will all be using the **NEW** ritual.

We are working on a "cheat" sheet that has the different changes from old to new.

I will get this posted as soon as it is completed.

My suggestion is to let the Daughters sit with an open ritual the first night that you use them.

Let them follow along to see the changes and read their new part.

Please note that all parts have **not** changed.

Remember we no longer purge the Bethel. **Dues cards** will need to be carried by all Daughters who are traveling.
