

# PROMOTION AWARDS

2011 – 2012

This year we will once again be recognizing Daughters who bring in new members. When you sign a petition and the young lady is initiated, you will be given a title that you can include on your introduction card during this Grand Guardian Council year (June 2011-June 2012).

If you sign 1 petition, you will be known as a:  
Sparkling Snowflake Promoter

If you sign 3 petitions, you will be known as a:  
Stunning Snowman Promoter

If you sign 5 petitions, you will be known as a:  
Beautiful Butterfly Promoter

We also need to find something fun (and maybe a little bit silly) for our Grand Officers to do if we reach our goal of 100 new members. Daughters, if you have any ideas for this, please let me know. We will announce the plan at our January School of Instruction.

Please be sure to let me know when your Bethel schedules an initiation, and I will do my best to make sure your promotion awards (and a gift for the new member) are there on the night of the initiation.
